Today my class
went to the Courthouse.

It was exciting because I
have never been in a court-
house.

I learned a lot of
stuff. The most interesting I
learned was that if you
have your own car and you
can drive it then you go to
adult court. The second most
interesting thing learned is you
can tell the judge if you are
guilty or not guilty. The
third thing I learned that is
important is to not do some-
thing bad! The judge I
met was judge Pordy.
