

April 3, 2009

To: Don Huld
Grounds Director
Portland Public School District
BESC

Dear Don Huld,

I am a fifth grader at Sunnyside Environmental School. We are studying the colonists and would like to create a colonial garden at our school. We would like your permission to make one. PLEASE let us make one. We promise to make it nice and to grow lots of plants and herbs.

Sincerely,

Urmi
5th Grader
Sunnyside Environmental School
